

CHEMICAL WASTE DISPOSAL

DO

- Dispose of waste chemicals through EH&S “Chemical Waste Program.”
- Label all containers with an orange chemical waste label & identify constituents.

WASTE CHEMICALS	
COMPATIBLE CHEMICALS ONLY	
CHEMICAL NAME	QUANTITY
_____	_____
_____	_____
_____	_____
FROM _____	
PACKED BY _____	DATE _____

- Segregate chemicals into compatible groups.
- Pack in a cardboard box to minimize breakage or leakage during handling.

DON'T

- DO NOT dispose of chemical waste in the sanitary sewer.
- DO NOT dispose of chemical waste in the regular trash.

- DO NOT place chemical waste in Biological Waste boxes or red bags.

GENERAL INFORMATION

- Waste chemicals are picked up from University buildings on a bi-weekly schedule.
- If your building does not have a standard collection point, pick up arrangements can be made by contacting EH&S at 4-8526.
- Contact EH&S (4-8526) for further assistance regarding waste disposal at the University.
- Visit www.ehs.pitt.edu (Waste Disposal) for additional information.
